

Dear Prospective Supporter,

Thank you for your interest in the Holocaust Education Resource Council (HERC). The lessons of the Holocaust – tolerance, courage, and understanding – are as vital today as they have ever been.

Founded by children of Holocaust survivors, HERC is based in Tallahassee and creates learning opportunities throughout the Big Bend area to help fulfill the state mandate for Holocaust education. Although the Holocaust occurred more than eighty years ago, its lessons endure and remain deeply relevant to our community.

HERC is a member of the Florida Department of Education Commissioner's Task Force on the Holocaust. Throughout the school year, we provide professional learning opportunities for educators, offering instructional materials and effective teaching strategies. In addition, HERC sponsors a Holocaust book club, film series, and other educational programs designed to engage both educators and the broader community.

The Holocaust Education Resource Council (HERC) recognizes you as an important partner in our mission. As we continue to expand our community outreach, demand for our services has never been in greater. Teachers, principals, and community organizations increasingly seek our guidance as they respond to challenging times, including a troubling rise in Antisemitism. Your support directly sustains HERC's educational initiatives and outreach efforts. As a supporter, you will also receive special invitations to film screenings, lectures, Lunch and Learn programs, and other special events.

Please complete the form on the next page, and visit our website at www.holocaustresources.org for additional information about upcoming events. Donations may be made online through PayPal. HERC is a 501(c) 3 organization and all contributions are tax-deductible.

If you have any questions or would like additional information, please feel free to contact me at (850) 443-9649 or Barbara@holocaustresources.org. Thank you for your consideration. We look forward to your support and welcoming you at a future HERC event.

Sincerely,

Barbara Goldstein
